"These poems resonate with a most exquisite sense of longing and visceral intensity. Through his poetry, we appreciate the significance of memory and loss, while marveling at his uncanny ability to resurrect, in the most immediate sense, those occasions once relegated to obscurity. There is an underlying urgency within Fanning's poems that compels the reader to indeed take note." — *Tim Monaghan, Editor-in-Chief and Publisher, The Ledge Magazine & Press*

"Robert Fanning's music is percussive, meticulous and darkly funny. Like a night watchman, this poet shines a fiercely concentrated light on the weird beauty of the material world ..."
— *Sherry Fairchock, author of "The Palace of Ashes"*
